Come take a stroll thru the Therapy Shoppe catalog. As we near 19 amazing years in business, our passion for helping children continues to be at an all time high! We're still doing what we do best—providing quality products, phenomenal service, great prices, and fast shipping. No high-tech phone systems, no fancy sales gimmicks—just tons of innovative therapy products, warm voice-to-voice service, and caring professionals who truly do understand and want to help.

All our products continue to be carefully selected by our experienced pediatric therapists, and are kid-, parent-, and teacher-tested and approved. We're still featuring our same little pink catalog (the biggest little therapy catalog in the world!), still recycling shipping boxes and packaging materials whenever we can—still doing our part to conserve precious resources, keep costs down and your prices low.

Finishing touches are being made on our all new website as we write this! The new site will feature a wishlist like none other (can't wait for you to try it!) along with lots of other fabulous new features! And for the 2nd year in a row, therapists voted us as one of their top 2 "favorite therapy product vendors!"

We look forward to serving you soon and providing one of the most exciting selections of therapy products, sensory tools, learning favorites, hard-to-find therapy gadgets, and lots of other great products you haven't even heard of yet! Welcome to the Therapy Shoppe and thank you for shopping with us!

Wipe-off Cards: Pre-Printing Practice or Alphabet Letters

Two phenomenal sets of write-on/wipe-off cards! Pre-Printing Practice has 26 tracing activities that teach children how to control writing tools while practicing the 9 handwriting strokes needed for mastering how to print. Alphabet Letters features 26 developmental activities that start with simple, straight line letters before moving onto more difficult letters. Green and red dots cue where to start and stop; numbered arrows cue how to correctly form the strokes. Both sets include 26 activities on 13 sturdy, 8-1/2"x5-1/2" double-sided cards, a box of wipe-off crayons, and a review sheet that shows all the letters of the alphabet in developmental sequence. 4-up.
